

LaSalle European Analyst Programme 2022 (Munich)

Applications are now open!

At LaSalle Investment Management, one of the world’s leading real estate investment managers, you will work with some of our industry’s most experienced property professionals and the world’s most sophisticated investors. As part of our company, you will join a highly integrated global network of experts who are dedicated to delivering superior investment performance for our world-class investors. With a culture promoting on-going development and unrivalled on the job experience from the start, LaSalle Investment Management can offer you a career which will position you at the forefront of the real estate investment management industry. LaSalle’s analyst programme will provide you with a solid foundation upon which to build a career in real estate investment. By undertaking placements within our business, you will gain a unique insight into our world.

If you have a keen interest in real estate investment management, our European Analyst Programme will give you the exposure you need to kick-start your career in our industry. **If you are applying for a placement in our Munich office, you may rotate across a range of departments including Acquisitions, Fund Management, and Asset Management.**

Location	Munich
Length	Fixed term contract of 2 years
Education	Preferably completed, analytical undergraduate and/or master’s degree, in subjects such as real estate, finance, economics and mathematics being particularly relevant.
Languages	German and English language skills are essential
Training	<p>Your training will begin with a series of induction sessions designed to prepare you for your role as a graduate at LaSalle. You will have plenty of opportunities to network with employees across the business, from Senior Directors to other Analysts.</p> <p>You will receive continuous on the job training and be invited to participate in local trainings throughout the programme.</p>
